SPECIALTIES

*At Chocolaterie Ickx a team of motivated specialists is responsible for continually refreshing our extensive collection of hand-crafted pralines and other chocolate products. Quality, creativity and innovation are the core values for the development of original and expert recipes made for success! The team makes use of the most modern techniques, without losing the original character of craftsmanship. Our pralines are hand-made using the utmost care. We guarantee not only perfect appearance, but also consistent high quality. These products are specially developed for, among other things, the various seasons (Autumn, Spring), the holidays (Christmas) and other festive events (Valentine, Easter). Furthermore, we have an eye-catching assortment of first quality every-day chocolates, which are sold in bakeries, pastry shops, specialty stores, department stores and retail chains around the world.*
